What to Expect:

In this class, Dolphins are in an after school care program which allows children to balance learning and fun through a variety of experiences. Students in this class may vary in ages beginning at 6 years. Dolphins receive ample time for snacking, studying, meditation and rest, physicality, planned activities, and more. The goal of this class is to provide school agers with tools needed for academic and social success.

Thank you,

Your Wesley School Family!
