### What to Expect:

The curriculum in this class consists of thematic units that focus on developing literacy, numeracy, communication, and social skills. These teachers focus on individualized learning objectives during one-on-one and small group instruction. Social skills are worked on throughout the day! A great teacher/family relationship is vital for your child's success - therefore, we encourage parents to be active members in their child's education by visiting and/or volunteering in the classroom when possible. We look forward to pushing your child towards success!

Thank you,

Your Wesley School Family!
